Nearly 500 full members responded to the invitation extended by the bishopric consisting of Bishop Alvin A. Bessley, Samuel H. Holmes, and Gustave A. Orsberg, the hosts of the occasion, an excellent musical program was carried out in the main assembly room, where a huge electric sign of "Welcome" and a profusion of potted plants and flowers, together with hunting and flags, made a strikingly attractive display, and seemed to rob the large auditorium of its usual bareness, converting it into a veritable drawing room. The address of welcome was given by Bishop Bessley, whose earnest appeal for united effort and advancement brought forth repeated applause from the entire audience. Elder N. Nebeker, in a happy vein, pronounced considerable merit in giving history account of the ward, and the conclusion of the program a pretentious luncheon was served by a levy of M. I. A. girls, after which each member was presented with a carnation. It then repaired to the amusement hall, where the dance was engaged in until nearly midnight. ## NEW STANDARD FOR TEACHERS

Board of Education Adopts Classifications and Rules of Advancement.

### BATTLESHIP CONTRIBUTIONS.

Board Declines to Permit School Children to Donate Funds for Silver Service.

A new standard for teachers in the Salt Lake public schools, an increase in the teachers' salaries, and the decision that school children should not be asked to contribute to the purchase of a silver set for the battleship Utah, were the matters considered by the board of education at its meeting last night. Tonight another meeting will be held at which the appointment of principals and teachers for the coming year will be made.

Under the new rule teachers will be classified as follows: "A" excellent; "B" very good; "C" acceptable; "D" fair; "E" unsatisfactory. Salaries will be based upon the classification with regard to length and nature of experience and efficiency in the school work.

In the high school there are nine classes in this annual salary schedule, as follows: 1, \$1,000; 2, \$1,100; 3, \$1,200; 4, \$1,300; 5, \$1,400; 6, \$1,500; 7, \$1,600; 8, \$1,700; 9, \$1,800. Probationary teachers are divided in two classes in the grade schools, the first receiving \$480 per year and the second class, \$540. The probationary teachers are those who are normal graduates or who have special academic or pedagogical training but not sufficient to be classified as regular teachers. Those who have less than three years' experience are in the first class.
